Filed: December 11, 2023

ORDER CONCLUDING PROCEEDINGS¹

On March 14, 2022, Alexis Mae Montgomery filed a petition for compensation the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa—10 through 34.² Petitioner alleged that she suffered a left shoulder injury related to vaccine administration (“SIRVA”) due to receipt of an influenza (“flu”) vaccine on March 14, 2019. Petition at 1.

On October 4, 2023, I issued an Order to Show Cause stating that the record as it now stands would not permit a favorable Table SIRVA on the majority of the claim’s elements. ECF No. 25. On December 4, 2023, Petitioner timely filed a Stipulation of Dismissal pursuant to 42 U.S.C. § 300aa—21(a), requesting that the action be dismissed.

In light of Petitioner’s “stipulation of dismissal signed by all parties who have appeared in the action” pursuant to Vaccine Rule 21(a)(1)(B), **this case is dismissed without prejudice. Accordingly, this Order hereby notifies the Clerk of Court that proceedings “on the merits” of this petition are now concluded, but no judgment “on the merits” should be entered by the Clerk’s Office.**

IT IS SO ORDERED.
